City of Saginaw Fire Department Collaboration

## On-Site Across Michigan

# Enjoying and protecting public recreation

Exploring new opportunities

#### Saginaw River Headwaters Rec Area

A partnership between Michigan Department of Natural Resources and Saginaw County

### Saginaw River Headwaters Rec

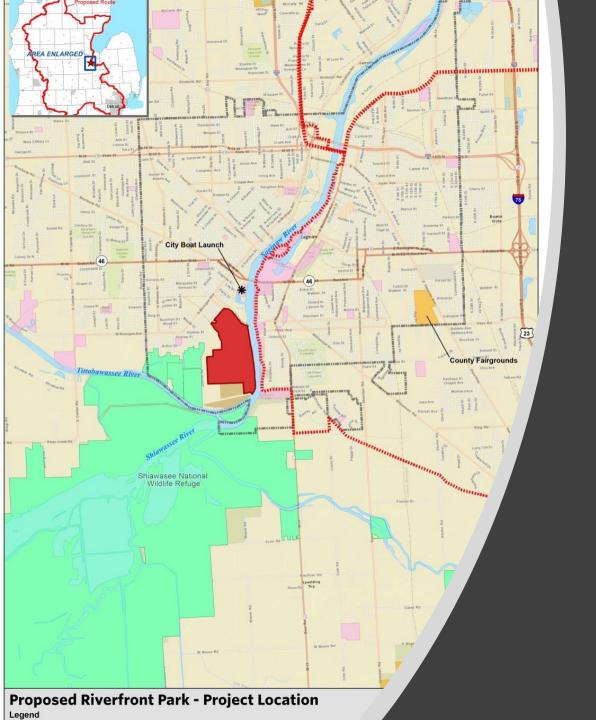

# Site Location

77 W. Center Street Saginaw, MI 48602

#### Former Saginaw Malleable Iron

Remedial activities began in the 1980's with direction from US EPA and EGLE (formerly DEQ)

# Remedial Activities

cont'd

After plant closure in 2008 RACER Trust, EGLE and EPA

RACER Trust was assigned \$12 million for remedial activities and continued monitoring through the General Motors bankruptcy proceedings

Approximately \$5 million spent to date with \$7 million remaining for continued monitoring and future remediation if necessary.

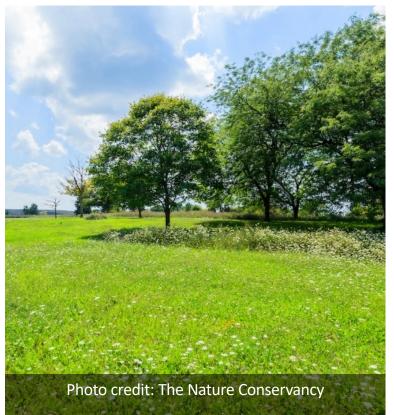

Additional remediation photos

The site currently meets EGLE-approved site-specific recreational use standards for passive recreation

# Riverfront Park: Partnership between DNR and Saginaw County

- Michigan State Parks and Outdoor Recreation Blue Ribbon Panel (2012)
  - Use parks and recreation areas as a key tool for revitalizing Michigan's core urban areas by creating four to five Signature Parks and integrating green infrastructure in Michigan's urban redesign and redevelopment efforts
- Key actions from the Public Land Strategy (2013): Focus regionally, link facilities, increase collaboration, participate in integrated planning
  - Increase participation in wildlife watching by 10%
  - Provide public lands access to citizens within 15 miles of their home.

#### MDNR and Saginaw County Parks Partnership

- DNR owns the property, worked with Saginaw County to develop liability protections, applied for / received 3 development grants
- Lease with Saginaw County for day-to-day management
  - Maintenance activities
  - Programming
- Natural Resources Damage Assessment
  - \$750,000 in a maintenance endowment
  - \$250,000 for development and habitat restoration

Project Funding

- Saginaw Community Foundation - \$30,000
- Michigan Natural Resources Trust Fund – 3 grants totaling \$890,000
